

Be a real Nature Detective!

How many moth caterpillars can you find?

Buff tip moths

Angle shades moth

Emperor moth

Elephant hawk-moth

Fox moth

Moth caterpillars

Remember, don't touch caterpillars – they're very delicate and their hairs can make your skin itch.

Cinnabar moth

Poplar hawk-moth

Puss moth

Garden tiger moth

Vapourer moth

Yellow-tail moth

Magpie moth

Did you know? Garden tiger caterpillars are also called woolly bears.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
